## Getting Started for Staff

### Step 1 – go to the Secure Schools login page

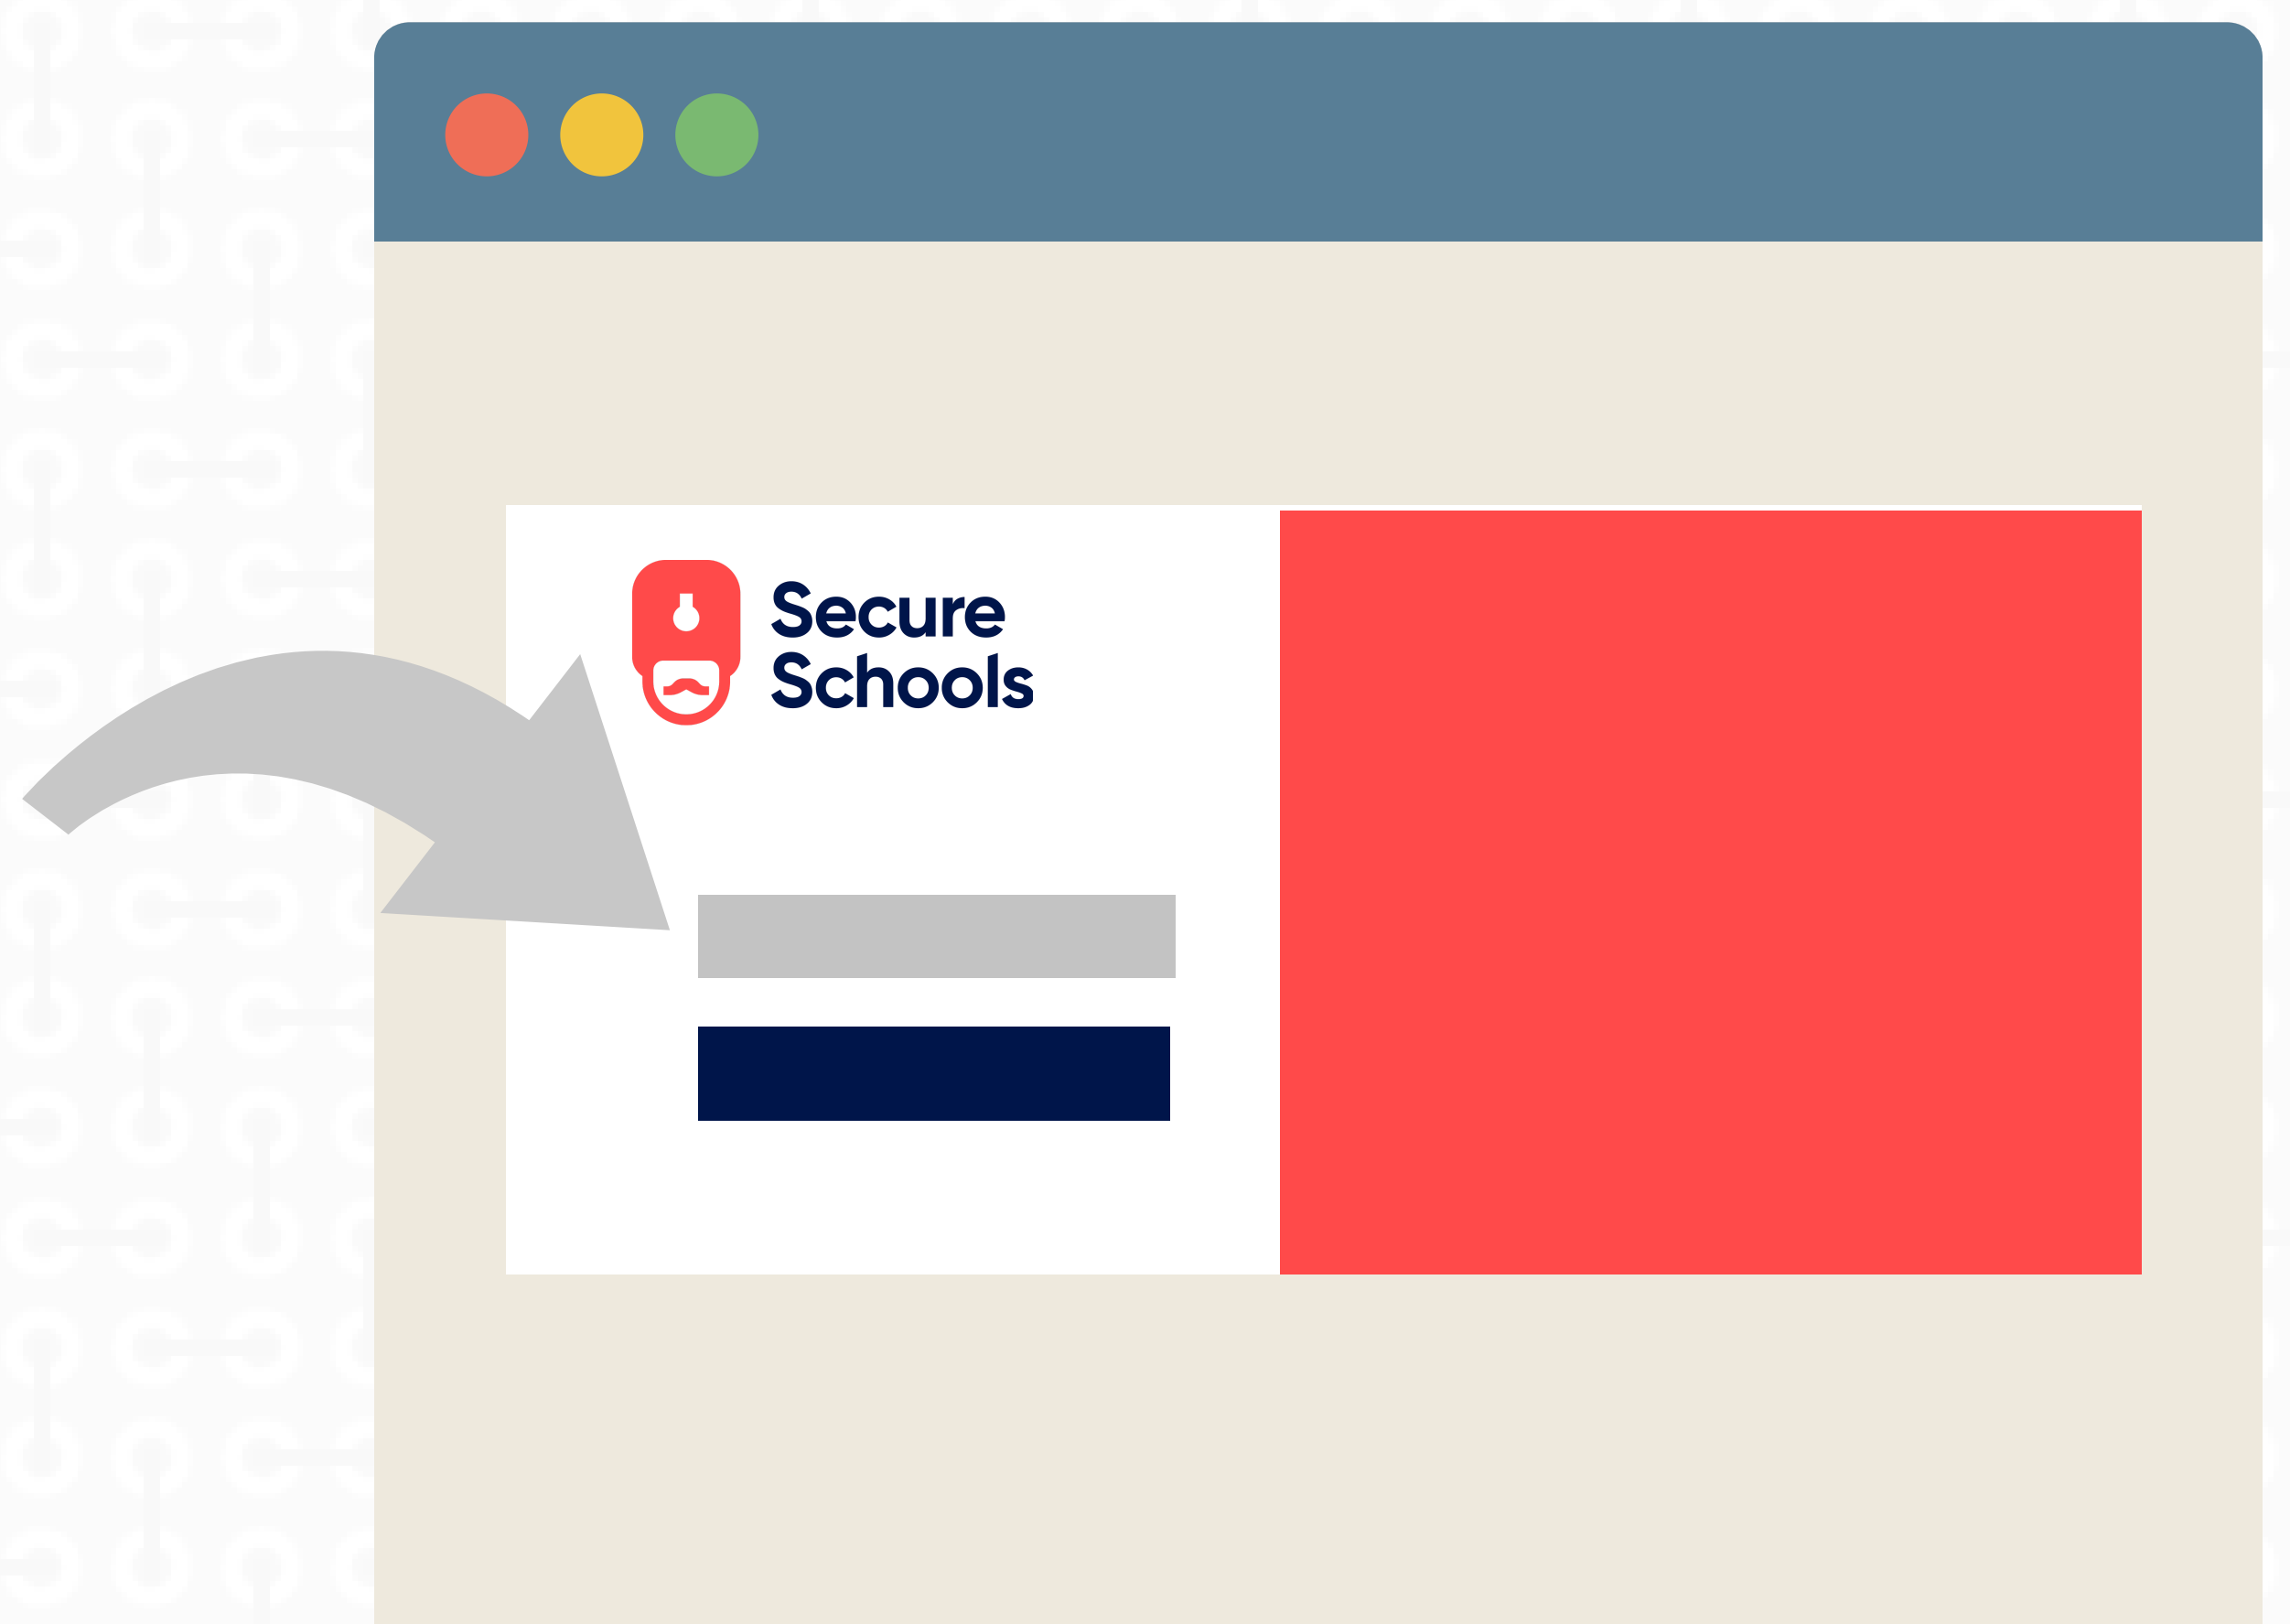

We have already created an account for you.  
Now you just need to log in.

On your computer, go to the Secure Schools log in page:

<https://app.secureschools.com>

Type your work email address into email address box.

Then click Log In.

### Step 2 – check your work email inbox

We've just sent you an email with a magic link to log in.

Click this link in the email to log in.

Would you like any assistance?

Visit the Secure Schools Community where you can find our contact details, chat to us online or raise a support ticket.
